

## Alustar Aluminium Modular Scaffold

### Holder/Manufacturer/Supplier

#### Alustar AS

Joavegen, 4097 SOLA, Norge

### Product name

Alustar Aluminium Modular Scaffold

### Product description

As per pages 2–6 of this certificate. Technical documentation as provided to RISE, no. P107140 and P114485.

### Certificate

RISE certifies that the product specified on this certificate complies with the requirements of the Norwegian Labour Inspection Authority's Regulations concerning the construction, design and production of work equipment and chemicals (the Producer Responsibility Regulations) 19th of June 2020 nr. 1272 § 4-1 to 4-4. (RISE certification rules SPCR 064) and NS-EN 12810-1.

### Evaluated system configurations

Load class 2–6 (1.5–6.0 kN/m<sup>2</sup>), under the conditions contained in the product description.

### Marking

Transoms must be indelibly marked with certificate authority (RISE), certificate number (C900380), serial number (the raw material manufacturer's tracking number), name of producer (ALUSTAR logo), product or component identification (the code name/markings of the component), production year/month (series and year of extrusion/production).

Individual components must be marked with producer name (ALUSTAR logo), production or component identification (the code name/markings of the component), production year (series and year of extrusion/production).

### Period of validity

The certificate is valid until no later than 2031-07-04.

### Miscellaneous

RISE conducts annual inspections of certified scaffolding components as per Section 5 of SPCR 064.

Martin Tillander
